

# The Colours of Corian® for Kitchen Worktops

10 Years Warranty from DuPont

Design Ellis Williams Architects

Design Sofie Lewyllie

DuPont™ Corian®, the original solid surface material made only by DuPont, provides the freedom to create inspired interior designs. For kitchens, worktops made with Corian® flow effortlessly into Corian® sinks to eliminate joints where dirt and germs can hide.

A selection of integrated sinks are available to coordinate with your worktop.

To complete your Corian® worktop, add custom accents such as inlays, edge treatments and backsplashes.

With its unlimited design flexibility, inspired colours, durability, stain-resistance & renewability, Corian® brings beauty, practicality and imagination into your home.

# The Colours of Corian® for Kitchen Worktops

Corian® offers a broad palette of colours for worktops and sinks that complement the range of materials used in today's kitchens.

Corian® creates kitchens that are harmonious, beautiful and quite simply, a pleasure to live with.

**For more information on how Corian® can complement your lifestyle and enhance your design ideas, ask for the Corian® Home Brochure or call for a local dealer near you.**

\* The veining of these colours may vary in intensity and highlight joints.

\*\* Ice White is a colour with superior translucency to enhance the potential for lighting effects with Corian®.

The colours shown on this page are for reference only. Slight differences between the shades printed here and the actual material may occur.
